

Day of Service Checklist:

- Please move any vehicles out of the way
- Talk to neighbors
- Cover any water feature/ pool
- Pull vehicles out of garage
- We ask that you have someone walk the property with the crew in the morning to answer any specific details, & to make sure the scope of the work have not changed.
If there is a removal we ask that you do point it out
(pink tape/ribbon = removal)
- If you need us to hang a swing while we are up there, please have all the parts ready for us.
- If you need a tree cabled please have all the equipment and parts available and be ready for us to arrive, please make sure this is noted during the estimate.
- We do ask for payment at time of completion, or else otherwise noted before we have started your work.
- Our crews start times are 8:30-9 am & 1:00 pm, unless otherwise noted & depending upon traffic.
